These women. Their profiles. It's like
trying to find hay in a needlestack.

Blake aggressively gestures his phone toward Simon.

I gotta trade Gronkowski for Calvin
Johnson.

They do a fist bump then like robots a-la robot dance.

through their phone apps and Blake shows his screen to
Simon

SIMON

I would totally win my game this week if
I weren't up against "Belichick-

his phone toward Simon and continues

BLAKE
(showing a profile)
Look! ...Tongues sticking out.

BLAKE
(showing a profile)
...Booty's twerking up like a cat in
heat. I shouldn't have to choose
between Katie P. Gaga and Hanna Mt.
Cyrus.

They each grab their side of the ski lift and start to motion a-la wrecking balls in opposite directions and start to sing...

SIMON and BLAKE (in unison / singing)
"I came in like a wrecking ball..."
